THE EVENT: Performers and fans of the Capitol Movement, Inc. (CMI) dance troop grooved into the night following their annual fundraising performance for which co-founders **Amber Yancey** and **Stephanie Jojokian** mobilized a cast of over 45 dancers to entertain a packed house at Lisner Auditorium. Now in its third season, CMI has become a multi-faceted organization with outreach that includes dance scholarships, camps, classes and workshops for disadvantaged schools and children.
